

I am just writing to give my Support for the Keeping of the 2 buildings of the Dome in Fishersgate Rec as they will be somewhere for the older children to use and get involved in, there is not a lot going for children in Fishersgate. When my children were growing up there was a lot going on perhaps they could open the Roller Hockey up again as my son got a lot of enjoyment from that. my grandchildren would also benefit from this when they visit me.

From

I also went to line dancing and I was Sorry when it finished.
